

## **WARRANTY INFORMATION**

### **LIMITED WARRANTY**

**Blu Water Technology, Inc.  
Blu Fusion Std. & Blu Fusion TS**

Hereby warranties said equipment to the original purchaser only against defective parts and workmanship for a period as stated:

	Installed by certified BluWater Technology Dealer	Not Installed by certified BluWater Technology Dealer
Electronic Controller	3-Years	1-Year
Electrode Cell	3-Years	1-Year

Warranty begins at the time equipment is purchased by the end user and is contingent upon proof of purchase.

Warranty covers only the replacement of defective parts after part is evaluated and deemed defective. Manufacturer will replace or repair any part that proves to be defective in material and/or workmanship during the warranty period under normal use and service.

Warranty does not cover labor charges. It also does not cover installation, removal, reinstallation, transportation, consequential damages, acts of god or other abnormal conditions beyond the company's control. Warranty is limited to failure of the Blu Fusion Automatic Bromine Generator to produce Bromine consistent with maintaining proper water chemistry.

Warranty gives you specific legal rights and you may have other rights that vary from state to state. You also have implied warranty rights. This warranty is void if equipment is not installed and operated according to the manufacturer's instructions.
